TURN OVER

Harborough  
Artists Cluster

# Art Windows

*Hello! We're back!*

Art Windows is a unique art event held throughout September. It is a collaboration between Harborough's popular independent shops and businesses and the artists and makers of the Harborough Artists Cluster.

This year we are delighted to show our artwork in the windows of 27 outlets throughout the town centre.

We have broken down the list into four groups which allow you to explore the town and devise your own trail which you can enjoy at your own pace.

A diagrammatic map and list of all outlets is shown on the reverse of this leaflet

## *Important Note:*

For enquiries about an artwork, please contact the artist/maker directly, using the contact details on the display notice alongside - not the shop or outlet

*Thank you*

# Enjoy!
